What Our Clients Say

"The Modern team brings a unique level of sophistication and reliability, especially for a bank of their size focusing on middle market cash flow lending."

- Justin Kaplan, Partner at Balance Point Capital

"The C&I team at Modern differentiates themselves from lenders of similar size, in that they focus on, understand, and can deliver when it comes to cash flow lending for the lower end of the middle market."

- Kevin McCarthy, Co-Founder of Kian Capital

"We've closed several transactions with Modern Bank, and they're a valued partner, helping us provide creative financial facilities for our clients. They're willing to think outside the box, and that's appreciated and helpful to us in winning mandates."
